BASEBALLGREEK MEETS GREEK
AT THE FORT TODAYNinety-Five Soldier Athletes Will
Struggle for Supremacy on
Fort Douglas Grounds.

A military contest will be suspended at Fort Douglas today and the entire garrison will turn out to witness the big annual field day carnival of sports. Ninety-five men are entered in the different events and the indications are that the meet this afternoon will be the biggest event of the kind ever pulled off at the post.

The contest will take the form of a dual meet between the Twelfth and the Twenty-second batteries. More than forty men from each organization will meet on the track and field to settle the question of athletic supremacy. Keen rivalry exists between the two batteries and a bitter struggle is anticipated.

The men who win honors in the different events today will represent Fort Douglas in the department meet, which occurs at Fort Logan in September.

Those who are successful in the department meet will be chosen to represent the Department of Colorado at the national meet in Washington next fall.

Few greater honors come to a soldier in a time of peace than to be chosen as a representative at the Washington contest, so there will be no doubt but a sharp contest for places in the meet this afternoon.

The athletic programme will commence at 2 o'clock this morning.

Meeting Will Be Held This Afternoon to Perfect Details and Arrange Schedule.

REPRESENTATIVES of the high school, All Hallows college, Collegiate Institute and University Preparatory school will meet this afternoon at the West Side high school to organize an inter-scholastic baseball league and arrange a schedule for a series of games.

Students have been at work for some time past in an effort to organize a league and it begins to look now as though their hopes will be realized.

Several years ago inter-scholastic baseball was at its height here and the national pastime was almost as popular with the students as football.

At that time the game has been on the decline. Many of the schools have not organized teams during the past year or so and the sport seemed in a fair way to die of neglect.

This year, however, several of the adherents have come to the rescue and the outlook is bright for a successful inter-scholastic league. The high school, All Hallows college, Collegiate Institute and University Preparatory school have teams in the field and all that is needed now to give the game a footing is the organization of a league. This will probably be done soon.

Some generous-hearted business man who wants to win a home with the students of the town is cordially invited to offer a silver cup or other suitable trophy for the league champions.

Several firms of the city have promised assistance in this line, but as yet none of them have "come in." The donor will be elected an honorary director of the league and will be provided with reserved seats for every league game.

STRIKE BREAKERS SECURED IN PORTLAND

PORTLAND, Or., April 27.—An employment agent representing the street-car companies of San Francisco is said to be in this city for the purpose of hiring fifty conductors and motormen to use as strike-breakers in that city, in the event of a strike of the carmen being ordered.

Although the agent refuses to state where the men he is hiring are to be used, the contracts signed by the applicants are said to be "for work in a city several hundred miles down the coast."

The wages offered are \$1.25 a day until ordered to destination, then \$3 a day until permanent employment is secured, and after that \$5 to \$7 cents per hour. The agent employs only experienced men. It is said that he has already secured the full number, who will leave for San Francisco Saturday.

Humors of all kinds are prolific of worse troubles. They may be entirely expelled by a thorough course of Hood's Sarsaparilla.

San Francisco, Cal., April 27.—The Salt Lake Athletic club, through its agents, has just brought Eddie Santny and Louis Long together and matched them for a bout in the middle of May.

Long is an Oakland, Cal., boy and the sports here believe he can put Santny out. They point to the fact that Long did up Auerlio Herrera and then Herrera turned around and put it on Santny. However, it is known that Santny has greatly improved since then and he may give a better account of himself than San Franciscans expect.

Goes to Boise by a
Close Score.Locals Lose Because of Their Inability
to Hit at the Right Time
—Change in Line-Up.

M'CLOSKEY'S foundlings captured the second game of the series at Walker's yesterday afternoon, and the team from Idaho still heads the league with a perfect percentage. The Boise attack artists were again in evidence, securing a total of ten hits, two of which were double-sackers and one a long drive for three cushions.

The Elders collected seven, but they were too far apart to do much business, except in the eighth inning. Starbuck, for the visitors, was somewhat of an enigma and struck out five of the local batters. The final score stood: Boise 9, Salt Lake 4.

Yesterday's game was a good one to look at, and at several stages of the encounter the Saints appeared to be the victors. Until the fifth inning they were one run to the good and the infants looked like also rans. Again in the eighth, when the score stood 4-1, Delmas lined out a pretty single that carried Hansen to third, and it looked as though the Saints would tie the score. The former Ogden backstop was caught napping, however, and the four bases of the local rooters went up in smoke.

Disaster befell the locals in the early part of the seventh inning. Babblitt, the Boise shortstop, came up and, after swinging twice, connected with one of Esick's curves for a total of three sacks. Starbuck got a life on Kellackey's error, and a moment later "Bab" came in on a double-header by Houtz.

Buck Weaver sacrificed and McKevitt, the next man up, rapped the ball for two bases, scoring Houtz and Starbuck. The fireworks came to a close with the score 5-1 in behalf of the infants.

When the Elders Scored.

In the eighth the Elders took a turn at run-getting, and before the Babbs collected their thoughts three Saints had crossed the pan.

"Corporal" Cook walked to first. He went out between second and third on a nelder's choice, but Esick offered the second cushion during the excitement, so nothing was left. The local tried hard to the bat with his "Palmer house walk" and connected with the spheroid for two sacks, scoring Esick.

Weed followed with a long drive to right that scored Muller. He went to second on Gimlin's nelder's choice and came home on a sky-scraper from Hansen's bat that netted two bases for the hitter.

Salt Lake was one run behind. Hansen was safe at second and Delmas at the bat. "Del" got a single and the fans fairly howled as the "warhorse" sped down to third. It was a hard run and Hansen was carried over the base. Before he could recover Ward tagged him and the side retired. The local tried hard in the ninth, but perished in one, two, three order.

This One Was Extra.

Houtz went to first in the ninth after being struck by a pitched ball. He reached second on a double and scored on McKevitt's single. This ended the tally-getting for the visitors, and the game ended a few moments later with the infants two runs to the good.

Weed played third base yesterday afternoon and "Soldier" Cook took second place in the middle garden. "Mickey" Flynn did not play at all yesterday, and it was reported that he and Donovan had been released.

The weather was disagreeable and a storm was threatening throughout the entire game. Less than 100 persons were present.

Whalen a Mystery.

SAN FRANCISCO, April 27.—Pitcher Whalen of the local team had his white-hot brush in use today and thoroughly calmed the southern visitors. Los Angeles began in lively style to rap his delivery and made three fruitless hits in the opening inning, but thereafter his work was mystifying. Bunched hits gave the home team their runs. Score:

Los Angeles 4, San Francisco 9.

Batteries—Wheeler and Spies; Whalen and Leahy.

Portland Loses to Seattle.

SEATTLE, April 27.—Seattle took another triumph from Portland today by routing the young Drobots for fourteen hits, four of which were doubles. Williams pitched fine ball for Seattle, keeping Portland's eight hits so well scattered that he was never in danger of losing the game. Score:

Seattle 10, Portland 1.

Batteries—Williams and Wilson; Draht and Steigman. Umpire—O'Connell.

Gala Day at Tacoma.

TACOMA, April 27.—The opening of the baseball season here today was pretty much of a holiday, the city hall and many houses and offices being closed during the afternoon. A parade in which rode the Mayor and City Council, as well as the Oakland and Tacoma teams, preceded the game, which was opened by Mayor Wright. The new stands, with double the capacity of last year, were jammed with people, many being turned away, and the field was so crowded that almost any hit outside the diamond counted for two bases, under ground rules. It was a poor exhibition of baseball. The folding of both teams was loose. The batting of Sheehan and Egan was the feature. Attendance, 3000. Score:

Tacoma 10, Oakland 10.

Batteries—St. Vrain, Thomas and Gorman; Schmidt and Lohman. Umpire—Huston.
